SIZE Really Does Matter !

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom

GUARANTEED RESULTS

Get serious about having the longest, biggest, thickest penis possible. Don't waste any more time on creams, sprays or products that have not been proven. Start seeing real results in the shortest amount of time with Testrone with Tongkat Ali !

Imagine when your partner sees how thick and long you are. Eliminate worries about going soft or coming too soon. Maintain virility so that you can increase the number of times you can perform.

This new highly concentrated formula makes all the difference in the world. Never before has there been an all-natural formula that works as fast and effectively as this product. To increase the size and power of your penis you need a solution that works. You won't find a more potent formula for growth and development !

MY NUDD!

Oz sisters wear body paint – and nothing else – to promote new single!

IN THIS modern age of digital downloads and MP3s, people forget that album covers used to be a big part of the music-buying experience. Who could forget such iconic LP artwork as *Led Zeppelin IV*, The Beatles' *Sgt Pepper's Lonely Hearts Club Band* or Nirvana's *Nevermind*?

Well, Aussie siblings **Lisa** and **Jessica Origliasso** – aka The Veronicas – have brought back that concept by posing STARKERS for the cover of their new single *My Blood*.

Well, not completely starkers – the 31-year-olds are covered from neck to toe in glittering BODY PAINT. But trust us, they're NUDE underneath.

If the tune's as unforgettable as the cover, we expect the Ronnies' song to sell a million copies.

We've already bought a dozen of 'em and glued them to the back of the door in the office dunny. Er...for no reason. Hey...don't judge us!

To see another pair of SIN TWINS in action, head to page 44!

Jingle BELLE!

It's Christmas in July…and look what Santa left in our stockings!

SANTA can be a cunt sometimes, so we half-expected the beardy wanker to leave some LUMPS OF COAL in our stockings the other night after we'd pinned them to the office mantelpiece after our drunken XMAS IN JULY beano.

So imagine our shock and surprise when we staggered into work the next morning to find the beardy bastard had, instead, filled the stockings with the shapely pins of **Lexi Belle**!

Naturally, we took photos to celebrate what is arguably the GREATEST PRESENT WE'VE EVER RECEIVED!

Y'see, we've followed the pint-sized porn star for years and this is arguably the sexiest we've ever seen her. ▶

‘I WATCHED HER GET RAILED BY TWO BIG BLACK PENISES’

PHOTOS BY MILE HIGH MEDIA

▸ Those thigh-high socks are ALL KINDS OF AWESOME! The carnal Cali gal is an all-time favourite around here, not only for her natural beauty and on-camera abilities, but also her passion for THE KNOB!

It wasn't always this way.

The 28-year-old said that in a previous life she was working in a video store when a guy walked in with a suggestion that changed her life.

"He was married to a porn star, told me I was cute and asked if I had done any," she explained to us over a cup of eggnog. "We built up a friendship and one day I went to a set and watched this MILF get railed by TWO BIG BLACK PENISES. I was staring at it, my eyes were watering and I thought, 'Oh my goodness, I think I want to try it.'"

And try she did – THE VERY NEXT DAY! Not bad for someone who'd never even sucked dick before.

But go-getters like Lexi don't let a little thing like inexperience stand in the way of fame, fortune and a mouthful of frothy jism.

"One day I was curious and the next day I was on the set of *Teens With Tits 6* shooting my very first scene with two guys. People tell me they've watched me grow up in front of their eyes and I guess it's true. I'd JUST lost my virginity and my first time giving head was on camera."

Crikey! Look at Lexi these days: buggery, lesbo lust, gang bangs…the chick's GONE MENTAL. And she's been rewarded for her hard work and ACHING VAGINA with many AVN awards.

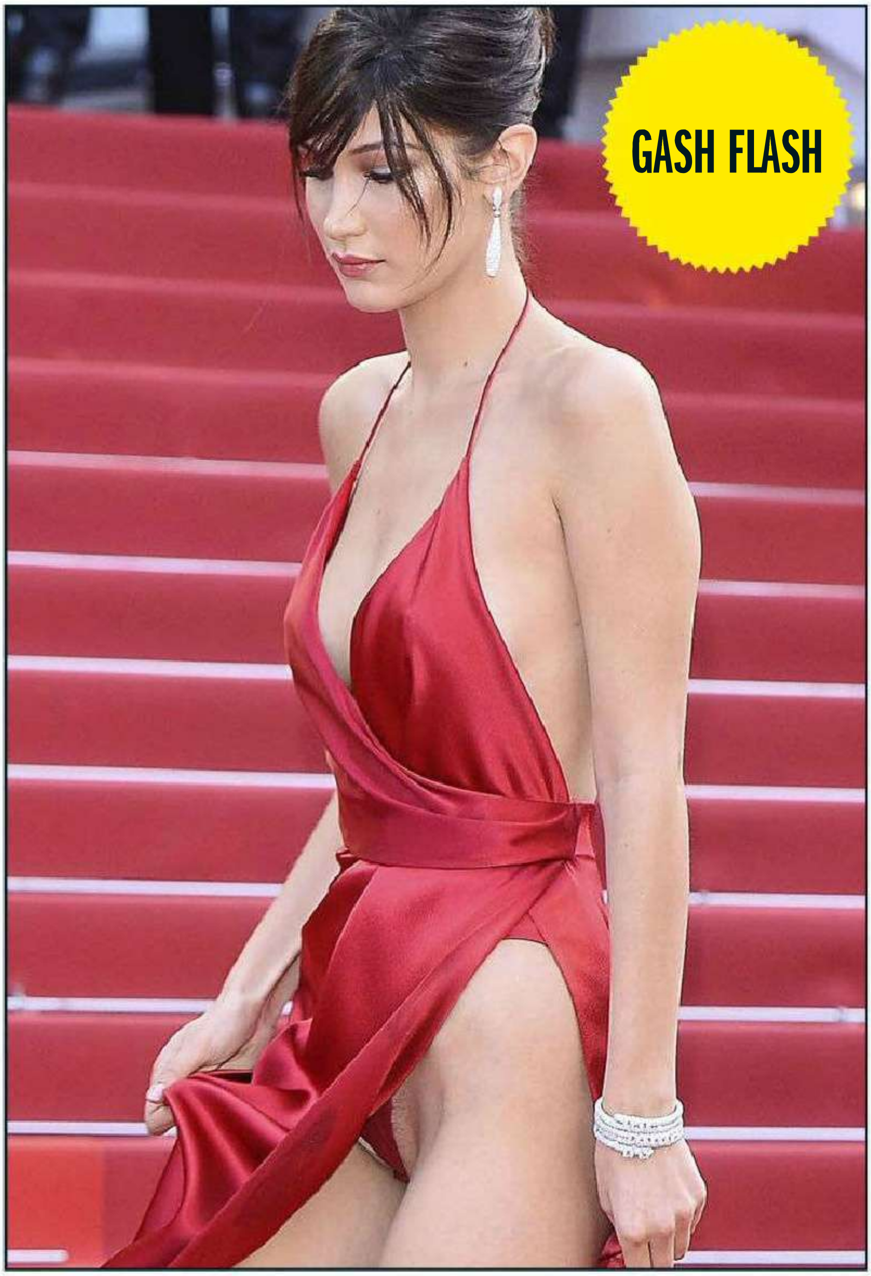
Before Lexi left us to bring Christmas In July cheer to some other lucky sods, we asked her what she does for fun.

‘I’M HORNY AND I CAN’T SLEEP. SO I’LL JACK OFF’

“I enjoy doing a live chat with a random person where I cut off my face so they have no idea who I am,” she revealed.

“I’m horny, it’s 1am and I can’t sleep. I wanna JACK OFF but I don’t want to stay up for another 30 minutes, so if just go into this chat room I finish in three minutes by watching a guy STROKING HIS COCK. Then I exit out and they don’t know who I am. And now I can go to sleep.”

We’re now counting our sleeps to the real Christmas Day. We’re gonna pin up a dozen effin’ stockings for the old bastard to fill!



GASH FLASH

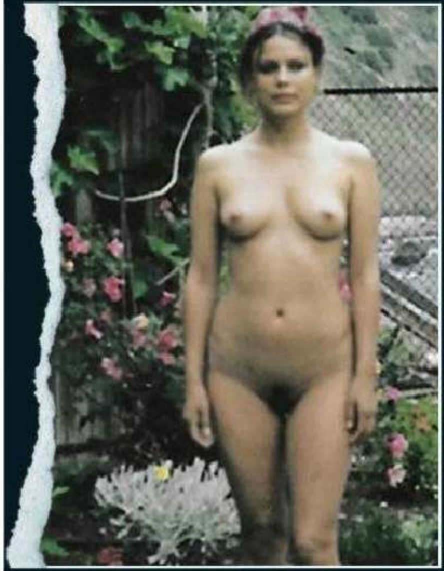
YES, SHE HADID!

FRISKY fashion model Bella Hadid was recently snapped in this gorgeous evening dress on the red carpet in Cannes – and speaking of CARPET, the 19-year-old Seppo was rocking a fringe of minge and a hint of sideboob. Let's hope this is a new fashion trend that really takes off!

FURIOUS CURIOUS

NUDE KELLEY

LIKE that famous Aussie outlaw, exotic local Nathalie Kelley has decided to upset the establishment. But instead of robbing banks, the 30-year-old star of 2006's *The Fast and the Furious: Tokyo Drift* is ROBBING HEARTS after posing for these blurry-but-beaut shots by Genevieve Meadow Jenkins for online mag *Nakid* (nakidmagazine.com). A BUSH-ranger indeed!



BAR TITZVAH!

SOMETIMES, **Mariah Carey** has so much talent desperate to break free that something has to give...and in this situation it was her too-tight dress. The Yank singer – and future Mrs James Packer – was at a bar mitzvah in Los Angeles to do a spot of DJing when her frock threw up its hands in defeat. Let's join Mazza's melons in savouring their victory.

FROCK SHOCK

MAG WATCH

PLASTIK FANTASTIC

WE'VE seen her boozzies, we've seen her cute buttocks and we've even seen her sweet vagina (we bet it tastes like Monte Carlo biscuits and candy floss). So the only way **Miley Cyrus** can catch our attention nowadays is by getting stuck in "The Claw" skill-tester at her local arcade. That's what she did for *Plastik* mag and, by gawd, WE NOTICED!

PLASTIK
MILEY

BOOB TUBE

GOOD GAME

IT MAY have hit a mid-season lull – with no characters, major or minor, getting bloodily slaughtered – but the chicks in *Game Of Thrones* are still GETTING NEKKID for our viewing pleasure. In a recent episode, it was the turn of Euro-models **Danielle Claire Jenner** (below), **Katie Alexander Thom** (below centre) and **Zoi Gorman** (bottom) to drop top and display their fantasy funbags. And they all did it in style!

PRECIOUS STONE

FORGET sapphires and opals – Lara Stone's breasts are the only GEMS we want in our hands. The 32-year-old Dutch model had finished a photo shoot in Miami Beach when the shutterbug yelled, "That's a wrap!" But thanks to a wardrobe malfunction, Lara did the opposite!

LOVE THYSELF

CONGRATS to indie popsters Tiger Love for making *Space In Space* our FAVOURITEST SONG EVER. How? By convincing Russki model Aliyah Galyautdinova to spend the entire music video WANKING. Check it out at vimeo.com/166988095 and see how Aliyah's nimble efforts take a rather ordinary song and made it FUCKING BRILLIANT!

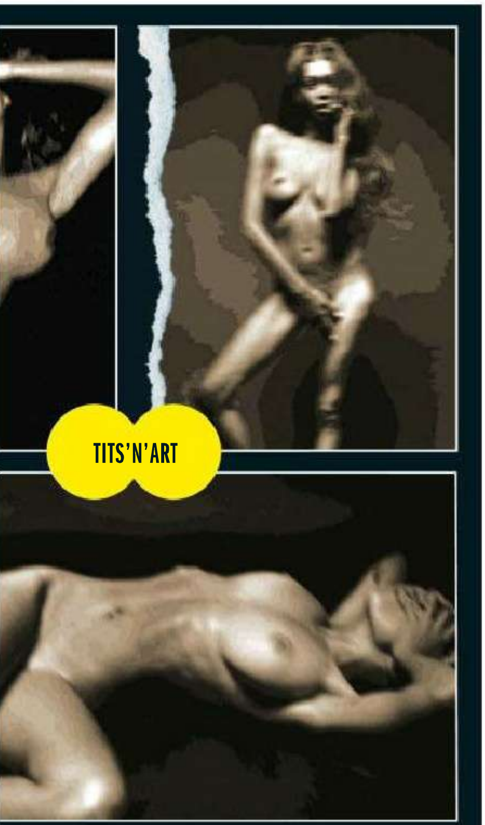
SEXHIBITION

WHAT'S Randall Slavin's secret? The Seppo photographer asked hot actrines and models, clockwise from left, Emmanuelle Chriqui, Genevieve Morton, Jessica White and Emily Ratajkowski to disrobe and pose for his new exhibition, *ACHROMATIC* (www.kmfinearts.com), and they said YES! When we ask chicks to do the same thing we get a slap in the face and an AVO! Admittedly, their original images were so ghostly, you could barely see their perfect bods. Luckily for us, some computer boffin darkened the images so we could all appreciate them a lot better.

madame
MUSIC MAM

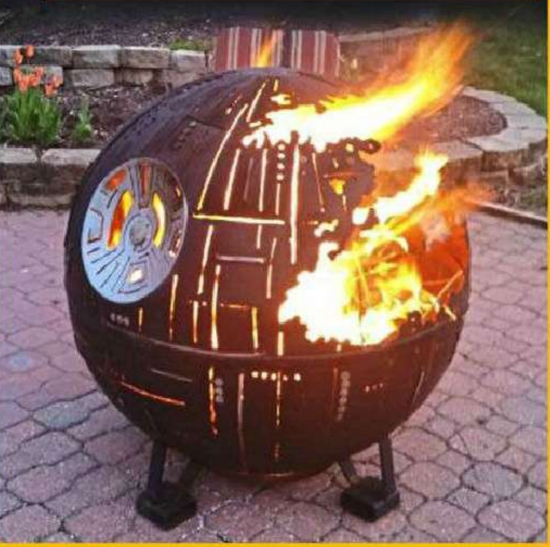
HOSER POSER

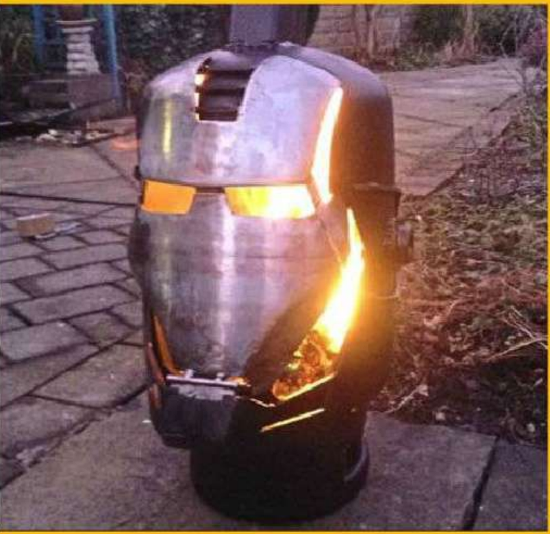
IT'S not the first go-round for **Vanessa Paradis** when it comes to posing in French fashion mag *Madame Figaro*. But after seeing this topless snap in the latest ish, we hope it won't be the last time. The 43-year-old actress co-stars with Johnny Depp in new fillum *Yoga Hosers*. Possibly not the best career move, Van, or haven't you HEARD?

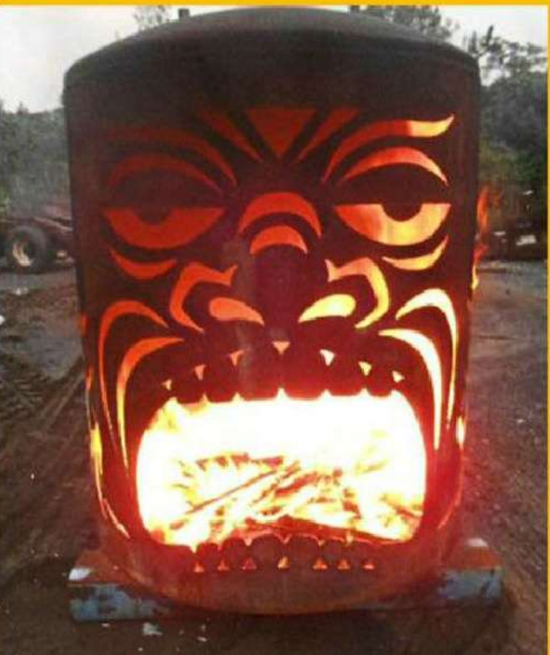


KENNA JAMES

IT TAKES the most innocent of activities to get X-rated bisexual babe Kenna James **FROTHING AT THE BUNGHOLE: "I'm all for kissing. I'm a kissing fool." You can see more of the 21-year-old doing just that in *Girls Kissing Girls 17*.**







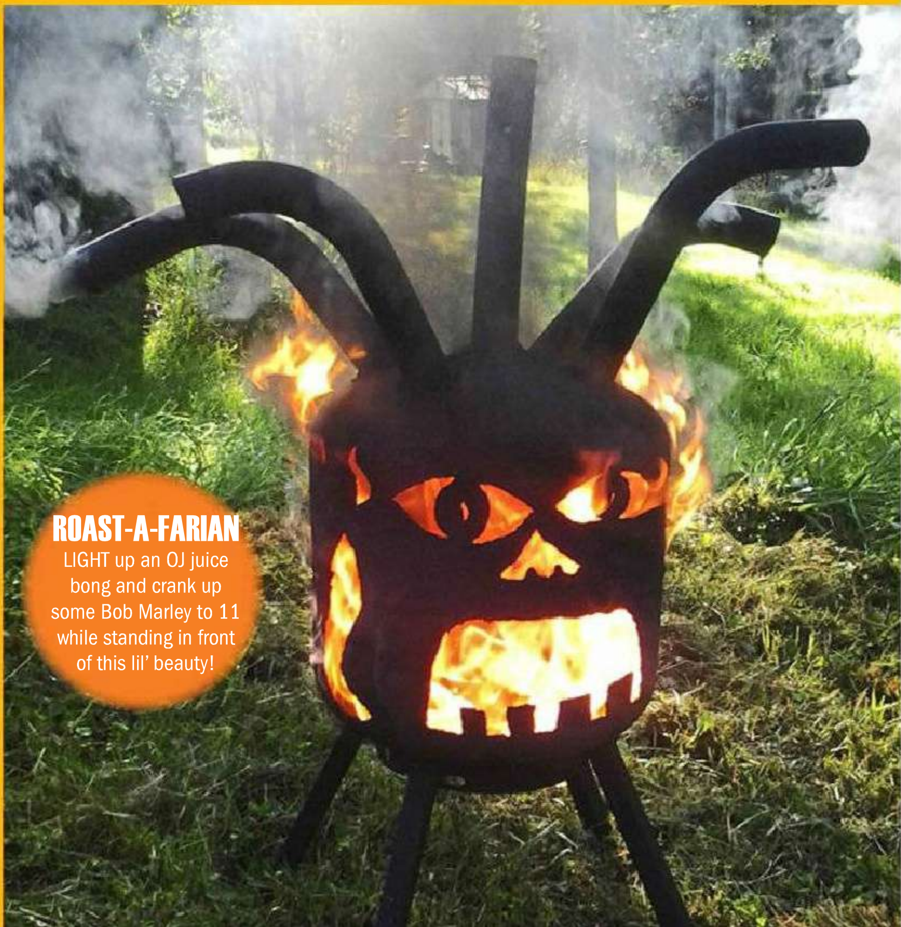
FIRE UP!

Tune into these bonzer bush tellies

WHO needs an Xbox or a huge plasma TV when a cheap night's viewing is only a BBQ and sixpack (or bong) away.

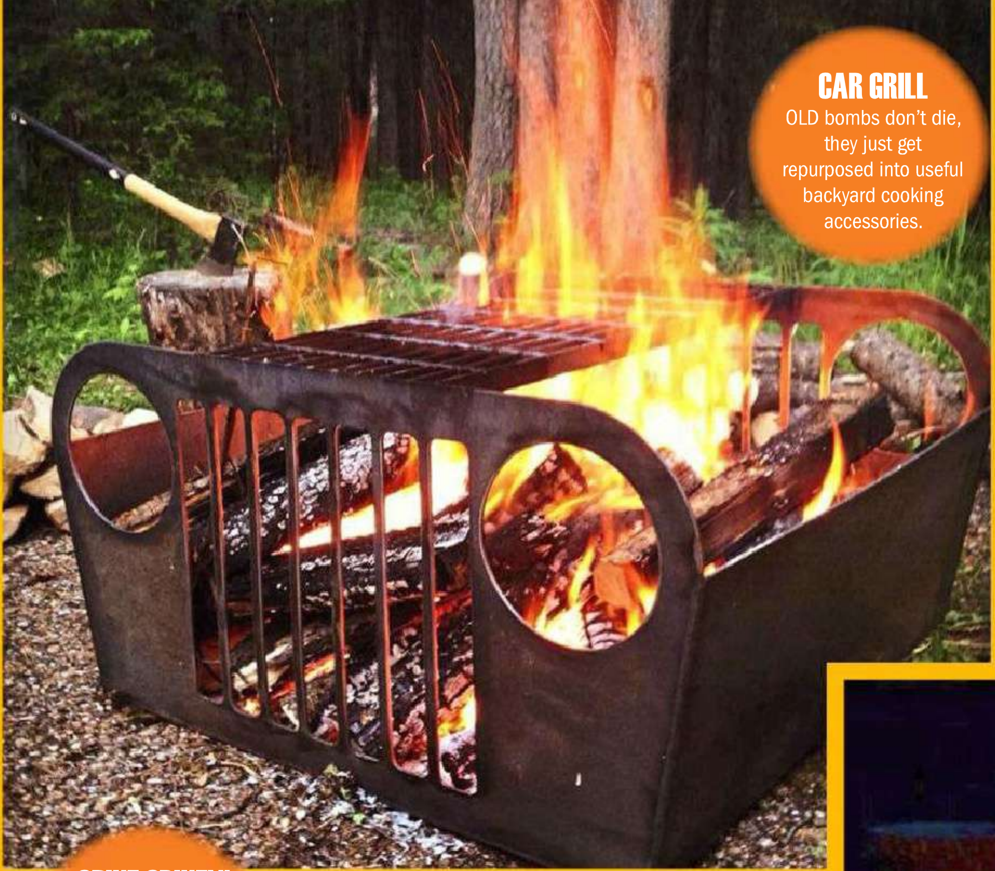
Yep, nothing beats heading outdoors and burning shit for fun – just sitting around with a few mates, a coupla cans, maybe some wacky tabacky and spacing out to a hypnotic blaze.

While a packing pallet or a 44-gallon drum is perfectly acceptable for a backyard barbie, our hats are off to the dudes who used scrap metal, an oxy torch and Aussie initiative to create these works of art.



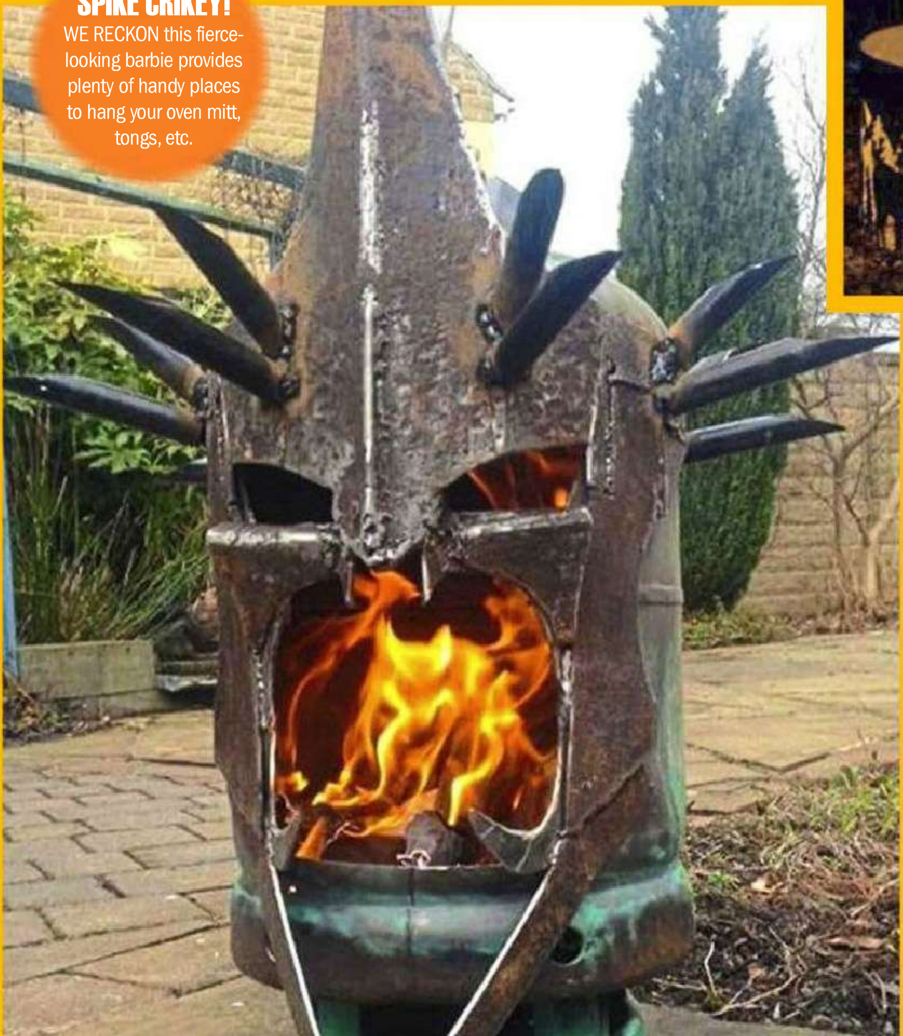
ROAST-A-FARIAN

LIGHT up an OJ juice bong and crank up some Bob Marley to 11 while standing in front of this lil' beauty!



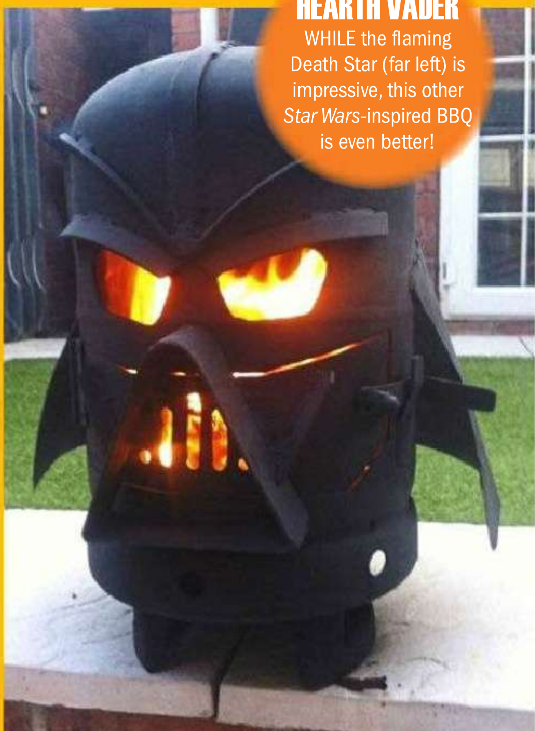
CAR GRILL

OLD bombs don't die, they just get repurposed into useful backyard cooking accessories.



SPIKE CRIKEY!

WE RECKON this fierce-looking barbie provides plenty of handy places to hang your oven mitt, tongs, etc.



HEARTH VADER

WHILE the flaming Death Star (far left) is impressive, this other *Star Wars*-inspired BBQ is even better!

TROUBLE X 2

Starring: Abigail Mac (left), Cherie DeVille, Charlotte Cross
Made by: Wicked Pictures

WICKED
TROUBLE

Her name's Cherie, but we doubt she still has one

DOUBLE TROUBLE

SOME men'd kill to have the "trouble" that Nick has – the newly single guy has not one but TWO randy spunks drooling over him. Olivia (**Abigail Mac**) is hot and confident while Jenny (**Cherie DeVille**) can suck tennis balls through a piece of PVC pipe.

Casually dating both (to be more accurate, POUNDING THEIR VADGES), Nick knows he has to eventually select one chick over the other.

But how do you choose between two perfect women who worship your 10-inch throbber?

And what happens when Nick learns that Liv and Jen are best friends and they've just discovered they've been dating the same fella?

Well, we guess you DO have TROUBLE with a capital "T".

Being a porno, you also have a lame excuse for a climactic threesome!

LOCO MOTION

SUICIDE GIRLS
MARÍA FERNANDA QUIROZ
HELENA DANAE

MEXICAN magazine *H Para Hombres* is the kinda MACHO publication we can get really get behind. Its latest issue particularly made a part of us STAND UP and take notice because it features a steamy pictorial with Latina porn queen **Helena Danae.**

Never heard of her? Never fear. The Mexican MILF does her best work SOUTH OF THE BORDER… if you catch our drift.

Didja known an expression for titty-fucking is "Spanish sex" – looking at Hel's swells we're certain she speaks that language perfectly!

HAIL MARY

ENGLAND'S greatest X-rated starlet – the late **Mary Millington** – was recently commemorated by a plaque ERECTED on the site of a closed movie theatre where her greatest flick, *Come Play With Me*, screened to packed crowds for FIVE YEARS!

Filmed in 1977, the film was a big hit with the British public, who dipped into their wallets again and again.

The plaque was placed at what was once the Moulin Cinema in London. It's now a hipster bar, which means nothing's changed in 40 years – the joint's still full of WANKERS.

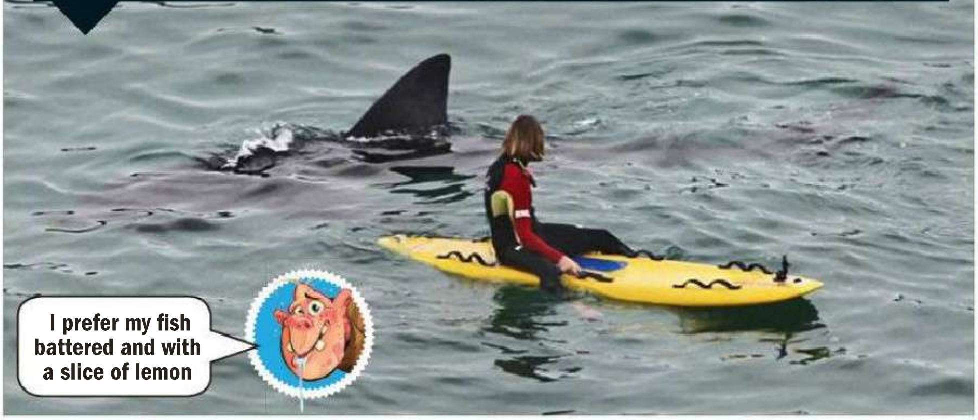
Our fuckwit Bogdan presents another dose of weirdness

SHARKIN' HELL!

A SURFER shat himself when a fuck-off huge shark surfaced behind his surfboard off the coast of Cornwall. The seven-metre-long basking shark – which is harmless – probably spat out the plankton it was eating and laughed like a drain when it saw the look on the poor dude's mug.



I prefer my fish battered and with a slice of lemon

DICK-APITATION

A THAI woman took swift action when she found out her hubby was cheating on her. She grabbed the nearest box cutter and nearly severed his cock with one swipe!

He'll never look at a snag the same way again
รับฝากทอง

CHEEKY MONKEY

SOMEWHERE in India there's a gangsta ape chilling out with his monkey moll and counting his ill-gotten gains. The sinful simian distracted a jewellery shop owner before grabbing 10,000 rupee (around $200) from the till, then leaping away. That'll buy a big bunch of bananas, we bet.

FUCK-OFF FACTS

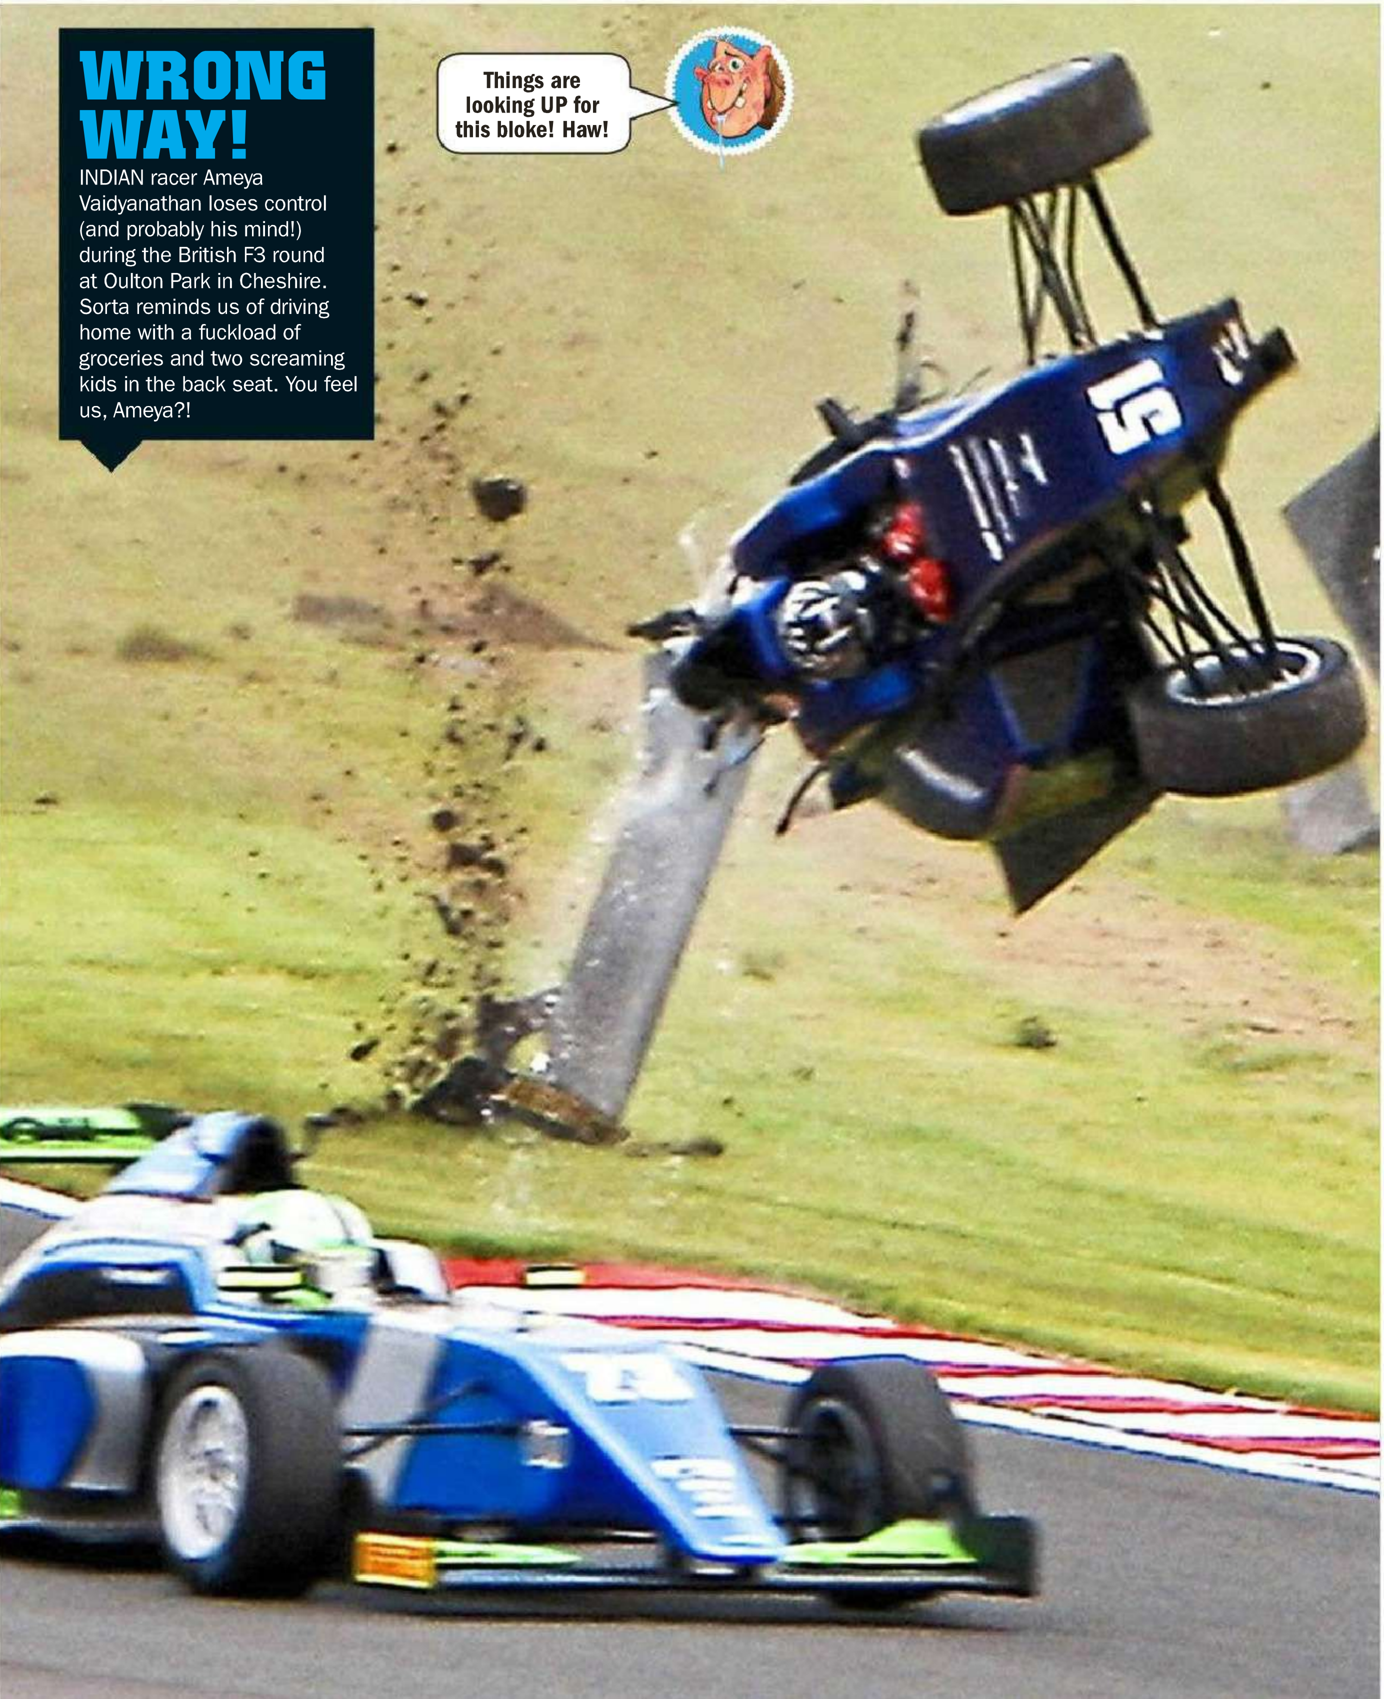
- **Indians love their racing cars and cricket...but they bloody love Kabaddi, too. What's Kabaddi? It's sorta like AFL, sumo wrestling and Red Rover combined. Are you still confused? YouTube it!**
- **AFTER water and tea, beer is the most popular drink in the world. Naturally!**
- **The world's largest documented great white shark is a seven-metre-long monster nicknamed Deep Blue. She was filmed off the coast of Mexico's Guadalupe Island in 2013.**

PINT OF VOMIT, PLEASE

BEER can be combined with all sorts of stuff these days: chocolate, fruit, whale vomit… Wait, WHAT?! South Oz's Robe Town Brewery has had a crack at the latter and reckons its Moby Dick Ambergris Ale tastes "a bit like the sea, a bit like the marine animals". OK, we're game…it won't be the first time we've had beer and vomit in our mouths at the same time!

WRONG WAY!

INDIAN racer Ameya Vaidyanathan loses control (and probably his mind!) during the British F3 round at Oulton Park in Cheshire. Sorta reminds us of driving home with a fuckload of groceries and two screaming kids in the back seat. You feel us, Ameya?!



Things are looking UP for this bloke! Haw!

WHAT A TEASE

You lil' STRIPPER!

Dita Von Teese bares all Down Under!

DAZZLING **Dita Von Teese**, the notorious stripper, pin-up, former porn star and ex-Marilyn Manson squeeze – although she wishes we'd forget that lowlight – has hit Aussie shores and is causing more havoc than a mining company on the Great Barrier Reef.

The 43-year-old Seppo siren is here all month to perform in her raunchy-but-classy burlesque show *Strip, Strip, Hooray*.

Dita performs four times during the spectacular, including her famed "Martini Glass" routine, which is enough to drive a man to drink…if we weren't already RAGING ALCOHOLICS.

"I'm excited to bring this show to Australia," the cracking cougar revealed. "It showcases my most extravagant acts, along with a show-stopping support cast of the *crème de la crème* of modern burlesque."

Speaking of CREAM, we just did that in our trousers while looking at these pix.

Ah well, saved us having to shell out a motza for tickets, eh?

Only a few performances are left before Ms Von Teese heads home – and tickets are going fast. Head to www.stripstriphooray.com for further information!

Here's Dita giving us less tease and more strip, which is just the way we like it

PLEASURE CHESTS

THINKIN' INK

I WOULDN'T say I'm a big-time lover of tattoos but I don't mind them, especially when they're on good-looking Model Citizens. I couldn't help noticing a few girls in the June 6 issue sporting ink on their underboobs. What's this all about?

Harry, Qld

We've been wondering the same thing, so what we're gonna do is grab an eight-seater bus, 15 cases of beer and travel around Oz to ask them FIRST-HAND! We COULD just call their mobiles but we bloody love a road trip. Watch this space!

AGED RAGERS

TEA FOR TWO

I'M BACK on the market after being in a shit 10-year relationship and wondered, with so many hipsters around, whether blokes still do boozy dates or prefer tea and a chat at the local café? I don't want to give anyone the impression I'm a bore – especially since I go so HARD in bed!

Terri, NSW

Welcome back to the game, Terri! It depends on the man what tickles your fancy, but if any woman was interested in us we wouldn't turn down EITHER option. What about vodka-laced tea, followed by plenty of HARD ROOTING? No bloke could resist!

GOING VIRAL

PLANKER WANKER

DO YOUSE remember planking? Well, I thought my version of it – wanking – would be MORE of an internet craze if only JERKING ONE'S GHERKIN in public wasn't an offence. My other idea was doing it at famous landmarks around the world, but I thought I'd ask you guys first.

Tim, WA

Long answer short, Tim, don't bother trying. Sure you might get a few shits and giggles out of STROKING YOUR BLOKE for the world to see, but we don't like the idea of you being locked up for years 'cos you did it at the Taj Mahal! Stick to PULLING YER PUD over wholesome men's magazines like People *in the comfort of your bedroom. Or, if you wanna be daring, the front seat of your car!*

WINTER BOOS!

RUGGED UP

WINTER'S here and I'm officially depressed. Not 'cos it's frigging cold out but 'cos all the women I work with are covered neck-to-toe in CLOTHES. You should see some of them in summer – I'm actually HAPPY when Monday comes around.

Dave, Vic

What you need to do, Dave, is book a month off every winter and go somewhere warm, like Airlie Beach in Queensland! It won't cost you as much as an overseas trip and the weather up there's a toasty mid-20s Celsius. Perfect bikini babe-perving weather!

ALEXIS ADAMS | 23 | DADE CITY, FLORIDA

SHE'S NO PRUDE!

This man-hungry nympho is willing to try anything

PHOTOS BY MILE HIGH MEDIA

SMALL-TOWN gal **Alexis Adams** has swiftly risen to the top of the adult movie scene in LA and now has the world at her feet…along with a ton of horny fans who'd love to lick those feet and rub their RUDE BITS against them if given half the chance. Not that it'd bother Alexis – she's a FILTHY BINT. But she wasn't always that way…

CHRIST! Your tits are amazing, Alexis.
"My boobs are 34C and all natural. They have definitely helped me get attention."
You used to be anti-porn, right?
"I've always been OK with nude modelling. I did *Playboy* mag when I was 18. I was extremely against porn. I worked for Model ▸

‘I LIKE HAVING MY ASSHOLE LICKED’

Mayhem for a year, then they approached me about porn."

What did they suggest?

"They suggested solo masturbation and it took me a while before I did that. Next, they asked about boy/girl and I said, 'Hell, no!' But then it kind of happened. I was one of those judgmental people that we all hate, but I was totally shown that it's not what you expect. I love it!"

How have you changed making XXX fillums, Alexis?

"I've learned that I'm a LOT LESS PRUDEY. I'm down to try anything in my personal life, like anal fucking. I'm very sexual and I enjoy ROUGH, DIRTY SEX."

Give us the low-down.

"I love a lot of foreplay…don't give it to me right away! Kiss my neck, play with my pussy a little bit. I like MY ASSHOLE LICKED …then I'll get really fired up! My favourite positions are doggie and spoon… and please pull my hair or choke me while doing either."

Righto. And do you prefer rooting older or younger guys?

"I prefer the older ones. A lot of the younger guys – some of the pretty popular ones – are actually on my 'no' list. I just don't like young penis, I like the older men."

What's the kinkiest thing you've done?

"I don't think it's too kinky, but I've done anal and I licked a guy's ass."

OK. You've made some beaut flicks like *Jerk My Cock, Not The Wizard Of Oz XXX* and *Spin Suck And Fuck 13.* Which ones should we add to our collection?

"All of them!"

Yes, ma'am!

SIN TWINS

We have an iBoner from the world's hottest Instagrammers!

WE LIVE in an amazing world where people can gain worldwide fame just by taking selfies and posting them on their Instagram accounts.

Of course, when you're Brazilian twins with LARGE LUNGS and the BIGGEST BUBBLE BUTTS on the planet, then it's probably not that amazing at all. Money, success and notoriety were always gonna come your way when you look like sisters **Nadinne** and **Dana Bruno**.

The Miami-based fitness models launched their careers a few years back posing in their homeland's version of *Playboy*.

But now they focus solely on posting snaps while wearing skimpy bikinis, poking their perfectly toned arses at the camera lens and pretending to kiss each other. Naughty, naughty!

"I am the aggressor with men and I love being on the top when I fuck," Nadinne told a drooling reporter. "And my dream is to become a real estate agent."

Er...what? We weren't expecting that response.

Dana's long-term goal is to run her own line of fitness clothes.

Not surprisingly, she reckons guys constantly compliment her bum. Her biggest turn-ons? "Talk DIRTY to me and kisses on the neck."

Both gals revealed they had been offered up to $50,000 to go on dates with cashed-up fellas.

Hearing that, we've launched our online campaign to raise $50K. Please give generously at www.kickstarter.com/Desperate-For-A-Root.

Age before beauty

THE guests at a dinner party were arguing passionately whether men or women were more trustworthy.

One man was particularly outspoken, insisting, "No woman can keep a secret."

"That's not true," smiled the gorgeous blonde sitting opposite him. "I've kept my age a secret since I was 18."

"You'll let it slip someday," he sneered.

"No way, mate," the blonde said. "When a woman has kept a secret for 26 years, she can keep it forever."

Light'n'easy

ONE day, the teacher asks her class to give examples of things that aren't good to put in one's mouth. Tim raises his hand and says, "A lit light bulb, MIss."

The teacher replies, "That's quite correct, but why?"

"I don't know, Miss," Tim answers, "but my mum always tells my dad, 'Turn off the light before you put it in my mouth!'"

Gone tubbing

FEELING stressed out, Dougie decided to take a long hot bath.

However, just as he'd made himself comfortable, the doorbell rang.

Dougie climbed out of the tub, wrapped a large towel around his waist, wrapped his head in a small towel, put on his slippers and went to the door.

When he opened it, he found it was a Mormon trying to sell him on religion, so Dougie slammed the door in his face and returned to his hot bath.

No soon had he climbed back in than there was another ring at the doorbell.

Dougie climbed out of the tub, wrapped a large towel around his waist, wrapped his head in a small towel, put on his slippers and trudged downstairs to answer the door.

This time, it was a cheerful bloke from an energy company trying to persuade him to change firms.

Slamming the door in his face, Dougie returned to his rapidly cooling bath.

Five minutes later, the doorbell rang again. Furious, he headed to the bathroom door, slipped on a wet patch and hurt his back when he crashed to the floor.

Cursing under his breath, Dougie slowly got dressed and staggered to his local medical clinic.

After examining him, the GP said, "You know, you were lucky, my friend. There are no bones broken. You just need to relax. My recommendation is that you go home and take a long, hot bath."

Hole lotta trouble

A MINER turns up at a Kalgoorlie brothel and asks the madam if she has anything different on offer.

As a matter of fact, I have," she says. "There was a circus that came through town a few weeks ago and they sacked the contortionist. So she came to me for a job."

The miner's excited by the kinky possibilities. Once inside the room, he showers, then lies down on the bed and watches with fascination as the contortionist strips naked, lies next to him and ties herself into a shape resembling a pretzel.

Suddenly, he stands and starts circling the bed, occasionally pausing to scratch his head.

"What's wrong, sweetheart?" comes a muffled voice from the tangle of female flesh.

"Um…would you mind farting?" the miner asks. "Just to give me a hint."

RETRO CITS!

AZARIA

Melbourne, VIC

March 15, 2010

HEARING Azaria talk about rooting doggy style made us horny! “Behind’s best ’cos the guy’s in control and he can get deep inside me,” the lusty brunette revealed. “I quite like having my hair pulled and arse slapped as well.”

MELISSA

Newcastle, NSW

October 26, 2009

WHO could forget Mel’s BLAMPS?! “I love it when there’s a dick between my boobs,” she admitted. “I don’t mind a guy cumming on my tits, either – it contains good anti-ageing properties.” THAT’S why she looks so good.

IRIS

ENGLAND

July 22, 2013

THIS visitor had a great philosophy when it came to potential boyfriends: “Money’s of little value to me. I need to be physically attracted to someone.” Iris was a fan of knob-sucking: “As the Macca’s slogan says, ‘I’m loving it.’” Us, too!

STACEY

Gold Coast, QLD

May 9, 2011

STACEY has top ta-tas and isn't shy about enjoying them during a shag with her man: "We do it in front of a mirror quite a bit so he can watch my boobs bounce and smash together." That's a dream visual right there.

JOEY

Melbourne, VIC

June 20, 2011

MOST everyone loves porn and Joey's no exception! "I have a collection," she confessed. "I just enjoy watching people have sex. It turns me on." Joey's beaut behind is a work of art: "The chicks are envious and the men want to fuck it."

LILY

Moonee Ponds, VIC

December 14, 2009

NEARLY seven years later and we STILL wank over the thought of Lily's bum encased in lace undies: "Anything small is good for me. When I'm feeling daring, I wear a leathery type of thong." When she's feeling really daring she'll go COMMANDO! "I even did it when I worked in an office."

CITIZEN OF THE WEEK

CASSIE | 19

Maryborough | QLD

Are you a fan of one-night stands, Cassie?
"I LOVE one-nighters. Most of mine have been hot, passionate and involve at least two sessions."
Beats having a regular romp, then?
"Definitely – it's the first time EVERY time with a random rooter. And if you don't plan on seeing them again, then you go for broke."
You mean like backdoor bonking or spurting jism on your face?
"A girl can live out her deepest, darkest fantasies – like the time I had a threesome with two black American guys. They DPed the SHIT out of me."
Er...spiffing. Where did you meet them?
"At a sports bar in Sydney. I was down there for three days in April and had a ball."
Or BALLS...in this case.
"The best bit was the feeling of one bloke's sack slapping against my pussy while I ate the other guy's cock. And they were both MASSIVE."

JENAVEVE JOLIE | 31 | LA, CALIFORNIA

Bi, Bi, BIRDIE!

Cock? Cunny? This porn star prefers a bit of both!

FEMME FACTS

A BABE'S gotta start somewhere and with Jenny it was poontang! The porn star quickly progressed to penii, but that doesn't mean the carnal queen has given up on smoo. Oh no, she's an equal opportunity rooter!

THE HAREM

JENAVEVE JOLIE | 31 | LA, CALIFORNIA

SPLASHY cum shots, gang bangs, strap-on arse-sex… **Jenaveve Jolie** fucks likes a BLOODY CHAMPION ’cos she bloody well is one!

And unless we’re suffering memory loss from the four cases of beer we smashed last night, we can’t think of another X-rated starlet who roots guys AND gals with such unbridled passion.

Just head to Club Jenaveve.com to see how the lusty Latina revels in her kinky sexcapades like an extremely spunky pig wallowing in mud!

One of our fave Double J flicks is *Motorhome Adventures* which, inexplicably, was never nommed for an Academy Award or Golden Globe. Or even scored a two-page spread in a copy of *Motorhome Monthly* magazine. A travesty!

Discussing her three-way scene with Alec Knight and Jayla Starr, Jen reckons, “I went on the prowl in the motorhome for some nice cock and Alec was happy to hop in and have a hot time with me. When you see me roll up, you better be ready to fuck!”

‘WE FUCKED EACH OTHER REALLY GOOD’

Precisely why we always keep a franger in our back pockets! As for Jayla?

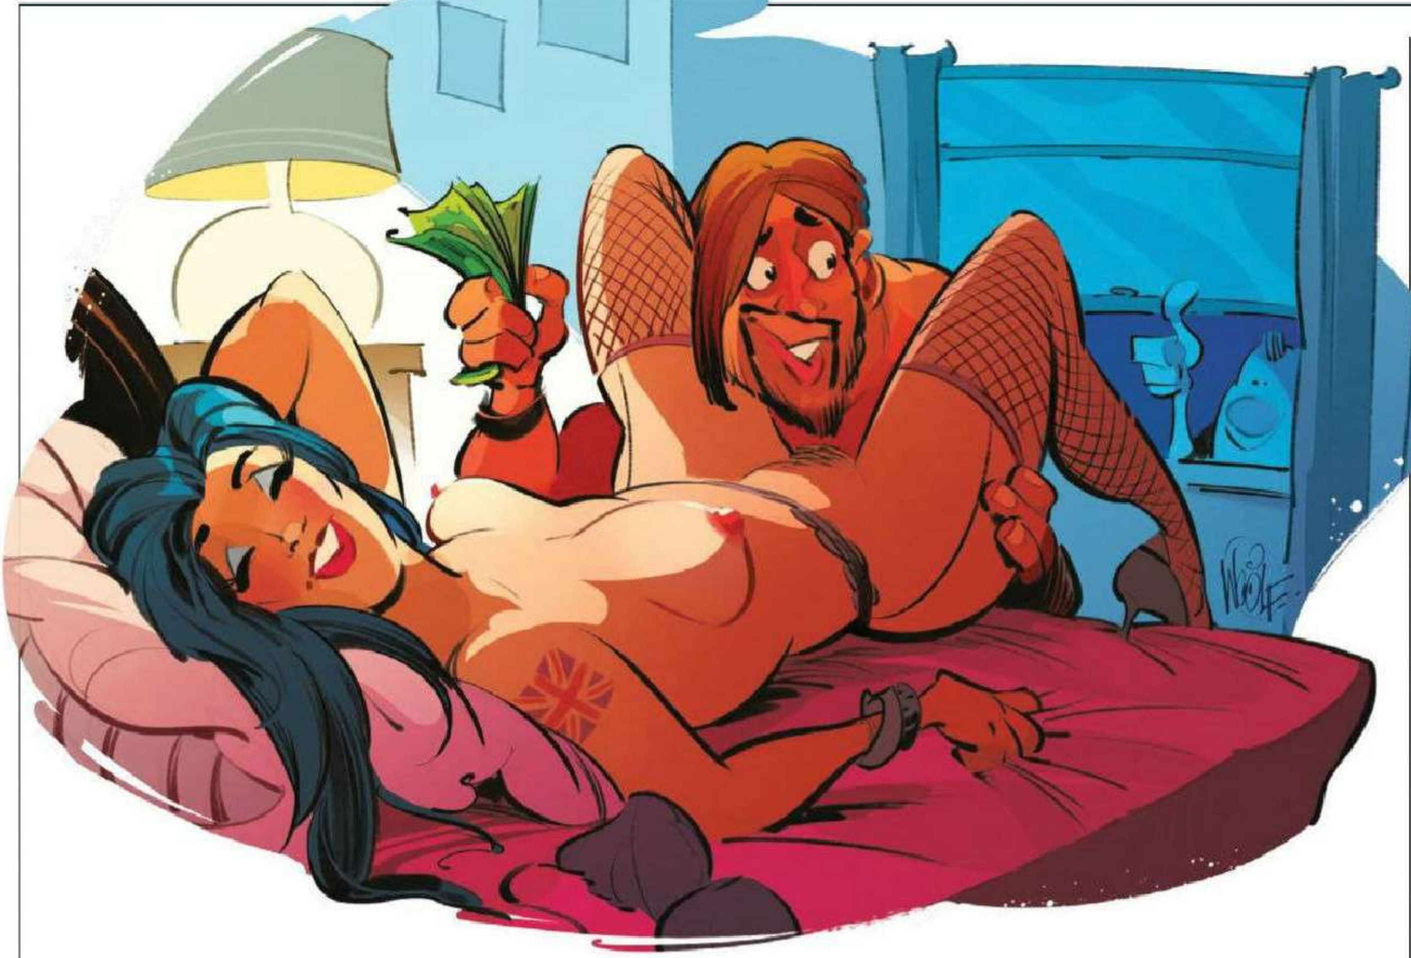
“I heard about the new slut on the block and gave her a ride in my sex machine. We fucked each other really good…I’d take her on again so I can play with her lot little ass.”

Good to hear! Watching raunchy divas like Jenaveve going from KNOB TO KNOTHOLE and back again makes us wonder whether she was always an on-screen bi-curious babe. Luckily, someone asked her that question on our behalf.

“When I started in the industry all I wanted to do was girl-girl. But then it progressed to boys – they were really nice and cool. And I just loved dick.”

XXX was clearly a sound career choice: “There’s been a million awesome moments. I’ve travelled and met heaps of great people because of porn. It’s the GREATEST job.”

Well, not quite as great as working at *People*, but we catch your drift, Jen.



BROKE'N'ENGLISH

I WAS on the bones of my arse when I met Stella online. She was smoking hot in person: 15 years my senior, with nice big baps, curvy hips and a cute Pommy accent.

I borrowed cash from my flatmate to show her a good time and hopefully score a root out of it. I paid for dinner and two bottles of wine that night and things were looking very positive, so we went for a beer at a nearby Irish pub.

Stella wore fishnet stockings under her skirt, which was A HUGE TURN-ON.

However, I didn't want to be the one making the big move.

"So what's the plan, Nick?" she asked after taking a sip of her Heineken on tap. "Let's say we finish these and go back to my house."

I decided to hell with patience and skolled my schooner, then grabbed Stella and headed for the door. We arrived at her place and I didn't mess about.

I immediately went under Stella's skirt, pushing aside her knickers and began eating out her perfumed FURBURGER.

Her cunt juices were nearly drowning me, but the experience was giving me a new appreciation for older women. They're dirty bitches!

I decided to lick her out for as long as possible, which turned out to be more than an hour. Stella must have cum 2-3 times before I'd managed to even dick her.

When I eventually did enter that velvet purse, the sight of those large, soft melons rocking as we rooted in the missionary postion was enough to make a bloke explode if he didn't have staying power.

> 'I MADE HER CUM 2-3 TIMES BEFORE I EVEN DICKED HER'

Luckily, thanks to the heaps of piss I'd sunk, I enjoyed 30 minutes of well-aged vaginal bliss with a lady who REALLY gave it everything.

I finally gripped Stella's arse and shot my wad for the first – but not the last – time that evening.

The saucy slapper even let me take a naked selfie while recovering on her queen bed, which I later showed off to my flatmate.

He was so impressed he even let me keep the $100 he'd lent me!

ALIEN LOVE

I'D DROPPED some acid at a country rave festival and was trippin' balls within minutes.

While the music thumped, I staggered off into the bush to taste some colours and touch the stars.

It was early evening when I emerged from my mental fog and found myself on my back naked, with a gorgeous chick sitting on top of me, grinding into my crotch.

Normally, I'd be stoked at the sight, but as she was purple and had FOUR BOOBS it meant that something was not right – even my fried brain could tell that.

Although her lips didn't move, I could hear the chick's voice in my head: "I was going to probe you, Earthman. But I think it'll be more fun if we fuck, don't you?"

"W-who are you?" I stuttered.

'SHE WAS PURPLE & HAD FOUR BOOBS'

Her words popped into my brain again: "I come from beyond your solar system. Now, stay still and let me COLLECT YOUR SEED."

The space spunk rode me with renewed vigour. Her four boobs bounced mightily while her purple skin shimmered in the pale moonlight.

It wasn't long before I felt a familiar surge in my balls and I blew inside her.

I passed out and woke up the next morning, starkers and with a bad headache.

No-one believes my story, but I swear it's all true.

Andy, WA

HEAD CASE

I GOT invited to my cousin Johnno's house for a Sunday barbie. He's a nice guy but a real bogan. And his mates are even worse.

Johnno runs a car wreckers business and his place is also littered with dozens of battered cars. It looks like a junkyard.

When I arrived at 1pm, the joint was pumping. Clearly, cuz and his mates had been going hard since the morning.

One guy, Tiger, was hammered and doing the craziest stunt I'd ever seen. He'd go up to a car windshield and HEADBUTT it till the glass cracked. He'd already smashed a half dozen and his mangled face told the story that (a) it hadn't been easy, and (b) he was as mad as a cut snake.

"I'm a fucking wrecking ball!" he screamed as he headbutted another windshield while the bogans cheered him on.

'DO IT AGAIN AND I'LL SUCK YER COCK!'

"Do it again, Tige, and I'll suck yer COCK!" yelled a middle-aged chick. She didn't look half-bad, although the trackie pants and ciggie hanging out of her mouth didn't do much for me.

"Yer on, Mandy!" Tiger howled, and he just about knocked himself out shattering another windshield with his noggin.

As he staggered back in a daze, Johnno handed him a VB while Mandy laughed and ran over to him. He drained the stubby in a couple of gulps while she ripped down his shorts, spat out her ciggie and started GOBBING HIM OFF. The crowd roared.

Tige seemed to be enjoying it, though it was hard to tell with his face covered in blood.

"Aw jeez. I'm gonna blow!"

She held on like a trouper as Tiger bucked and hollered, pumping his FILTHY YOGHURT down her throat.

After he'd finished, Tiger pulled up his shorts and went to find another beer. Mandy wiped the jiz off her lips and lit another durry.

This party was too feral for me, so I pissed off.

MEET THE PARENTS

I'M 20 and recently went on a second date with a sizzling 18-year-old. The first date went swimmingly with Meg sucking me off behind a KFC after I'd FINGERED HER under the table.

For our follow-up date, we went back to my house to hang out after our fast-food meal.

I hadn't yet experienced her natural D cups so I was looking forward to playing with them in a better light and at my leisure.

I quickly introduced Meg to my disapproving parents, then escorted her upstairs to my bedroom before they could say another word.

Within seconds we were both naked and exploring each other's bodies. I kept hearing Dad swearing at the telly – the Suns were losing the footy, I think – and thought Meg might find it a turn-off.

But she said, "The thought of your dad walking in on us while we fuck is exciting!" I knew she was all in.

Finally, I released her cans from her bra and played with them like a kid with a new *Star Wars* toy. I kept fondling them while I entered her smoo and gently pumped away.

Half my attention was on the bedroom door – waiting for the sound of either Mum or Dad barging in on us – but this helped my staying power as I MINED HER CAVERN.

Eventually, the loud sound of squeaking bed springs and Meg's mesmerising mams was too much and I went over the edge, blasting my dick sauce deep in her box.

'THE THOUGHT OF GETTING BUSTED TURNS ME ON'

Afterwards, when I went downstairs to grab a glass of water, Dad laughed and said, "Next time, keep the noise down, son. I could barely hear the game on the telly with all the racket you two were making."

LITTLE PLEASURES

'I'M A SUCKER FOR NICE BUTTS!'

WHAT'S the fave part of your body, Romi?
"I love my legs – they're muscular, long, strong and down to the get the friction on!"

And best shown off in a pair of cheeky cut-off jeans, we reckon!
"Yeah, though I wish my arse was a little bigger! I've recently had to make peace with that."

You should love your amazing bum – we do.
"It's probably a reason I'm a sucker for nice butts!"
